Sparsholt Cricket Club

A Fantastic 2024 Season & Exciting Plans for 2025

Sparsholt Cricket Club has enjoyed a hugely successful 2024 season, both on and off the field. As the only sports club in the village, we continue to provide opportunities for over 200 junior and 45 senior players. However, with the loss of the Red Cross using our pavilion for their courses, our income has dropped by 25%, and we are now hoping for support from Sparsholt village and surrounding areas in the form of sponsorships and donations.

On the Field Success

It was another strong year for our teams, with all fixtures fulfilled across the club. A standout performance came from Australian overseas player Joe Merlino, who set a new club record in the Southern Premier League with a stunning 153—the highest-ever individual score for a Sparsholt player at this level.

The 2nd XI secured promotion, with a memorable highlight from Rob Foy, who took an incredible 9 wickets for just 18 runs—all bowled! Meanwhile, our junior section continues to thrive, with several young players earning selection for district and county squads, reflecting the strength of our youth development programme.

Off the Field Achievements

We made great strides in sustainability, winning a climate change award for our solar panel installation—thanks to the dedication of Bob Selley—and invested in a robotic mower funded through an ECB loan and grant. Our efforts were further recognised when we were named Southern Premier League Ground of the Year 2024.

Looking Ahead to 2025

This season promises to be just as exciting. Sparsholt CC is set to host a Grey Ashes match (England v Australia Over 60s), and we're also hosting an MCC fixture in September.

Get Involved!

As a volunteer-led club, we are always looking for support. If you can help through sponsorship, donations, or volunteering, please message sponsorships@sparsholtcc.co.uk. A huge thank you to all residents who have already supported us and signed up for Gift Aid.

Thank you for your continued support, and here's to another fantastic season ahead!

Sparsholt 100 Club

The next Sparsholt 100 Club Draw will be held after the next Annual Parochial Church Council Meeting. This meeting will be held at St. Stephen's Church, Sparsholt at 7.30pm on Friday 4th April. The first prize is £200 followed by three second prizes of £50.

Thanks to the generosity of members, the 100 Club has raised over £42,000 since it was set up in 2017. These funds have been vital to supporting St Stephen's Church with half the money donated to the Sparsholt Parochial Church Council (PCC) and half donated to the Friends of St Stephen's Church (FoSS), the charity that provides for the maintenance of the church and the churchyard.

Total subscriptions amounted to £7,830 in 2024 and at year end we had a record 71 members contributing £10 per month. Total prize money awarded at the quarterly draws amounted to £1,600 and the Club was able to donate £3,000 to the PCC and £3,000 to FoSS. The net financial assets of the 100 Club at 31 December 2024 amounted to £6,820 and at its recent meeting the 100 Club Committee agreed further donations of £3,000 to the PCC and £3,000 to FoSS. This brings the overall amount distributed to a magnificent £42,000 for which all our members can be very proud.

Climate Change

Many people will be aware of the 4 R's of climate change prevention, **Recover, Reduce, Recycle and Reuse** well due to the ingenuity and skill of Howard and Malcolm, we have a shining example at Ham Green.

The old wooden bench at the intersection with the footpath over Stocker's Down had rotted away and rather than purchase a new one at a cost and using new timber. Howard spotted an opportunity to re-fashion a couple of old benches that were being disposed of thereby reducing unnecessary waste. Skillfully renewing and adapting them for a new purpose he and Malcolm then installed the two benches in the same vicinity doubling the amenity value and creating a wonderful spot to stop and stare at the sunrise or sunset over Stocker's Down or just a moment to catch your breath on your morning runs!..

As you can see from the photo they look very good and set off the recently planted trees to a T.

A big thankyou to Howard and Malcolm for making this happen.

Winchester City Councillors' Report

Local Plan

It has now been confirmed that the Planning Inspector will be visiting Winchester City Council on April the 22nd for a four-week period to examine the Regulation 19 plan.

The Inspector has sent questions that she wishes to review as part of her visitation. The Inspector has confirmed that he will not be reviewing omission sites i.e., those sites that were that have not been allocated in the plan for development.

Anyone may attend the hearings as an observer but only those who have made representations seeking to change the plan have a right to appear before and heard by the Inspector.

Several planning proposals have emerged in the last few weeks that may affect the outcome of the Local Plan Inquiry. Two adjacent sites near Sparsholt – Lanham Lane and Salters Lane – are seeking approval for a combined total of over 300 new homes. The promoters of a new town around Micheldever have submitted proposals for development of 20,000 new homes to the Government's New Towns Taskforce. There still seems little justification for development of a new settlement in this isolated rural area, particularly one with more homes than Winchester.

Central Winchester Regeneration

The Council approved the development delivery plan for Central Winchester at the cabinet meeting last week. The development is still very much under consideration and there are no specific commitments to any businesses or buildings currently. It is anticipated that there will be a masterplan and detailed design completed by Autumn 2026.

Devolution and Local Government Reorganisation

The Government is consulting the public on the proposal to establish a Mayoral Combined County Authority for the local government areas across Hampshire (all of Hampshire, Portsmouth, Southampton, and IoW). A new elected Mayor will be responsible for strategic matters (including police, fire, major investment projects, strategic planning plus others). Submit your comments at <https://www.hants.gov.uk/News/20250217DevoConsultation> by 13th April.

The 15 councils representing Hampshire and the Solent are preparing a document to submit to government on the 21st of March. This will be responding to the invitation for an interim submission on progress towards a single tier of local government. A full proposal outlining which councils will join together to form the larger new unitary authorities needs to be submitted by the 26th of September.

Discussions are still taking place as to the exact shape and combinations for the new unitaries and the size of these areas which government have indicated should represent 500,000 residents. The local councils are keen to ensure that any new unitaries are sustainable and can deliver the services expected by our residents. Public engagement was expected later in the process.

Community Infrastructure Levy (CIL)

Community infrastructure levy (CIL) funding application allocations for 2024 have been prepared and were approved at cabinet last week. There was no money allocated in our ward. [Note Sparsholt did receive CIL funds in 2024 directly without needing to apply - Ed]

Community Safety Performance

The annual review was shared at the recent scrutiny committee. Key features were the partnerships approach to anti-social behaviour, domestic abuse, homelessness, safe and well visits undertaken by Hampshire and Isle of Wight Fire and Rescue service and a safer streets campaign. The partnership includes the Police along with the City Council neighbourhood services team and other statutory and voluntary bodies.

Council Budget

The average rent increase for 2025/26 for all affordable, Shared Ownership and social housing of 2.7% based on the September 2024 CPI figure of 1.7% +1% was agreed.

Amendments were approved to HRA tenant service charges in 2025/26 to reflect cost recovery based on 2023/24 actual costs, subject to capping at 5% or £5, whichever is greater, and noting that capped charges will be subject to gradual increases.

It was agreed the level of Council Tax at Band D for City Council services for 2025/26 be increased to £163.66, an increase of £4.30 reflecting an average Council tax increase of 2.7%.

Local issues

The mound of Christmas trees was successfully removed from the triangle on Church Lane.

Road sweeping has taken place in the village, but more has been requested to remove the high levels of dirt on some of our lanes.

Sparsholt School

After six years as Headteacher of Sparsholt C of E Primary school, Mrs Hanratty will be leaving at the end of this academic year. She has expressed what an incredibly difficult decision this has been and that she will very much miss being part of this wonderful community. The Governing body has responsibility for the recruitment of a new head with support from the County education team.

Littleton and Harestock Gardening Club

Our club was founded more than 25 years ago and is an excellent source of gardening know-how.

We meet on the third Wednesday of the month at 7.30pm in Littleton Memorial Hall. SO22 6SQ

The Wednesday talks are by experts who share their knowledge in all aspects of gardening. There is always a chance to ask questions too. We have occasional outings to local gardens or places of interest to our members.

In August we have a summer break and in December we have some sort of Christmas celebration.

Members' perks include the club's RHS membership. Any member can borrow the club's card which allows two people into a RHS garden at half price. Members can get a discount from Suttons Seeds, and also are entitled to shop at The Shed, which is the shop for Park Road Allotments. This shop offers many useful items at good prices, including kilo bags of top brand fertilizers.

Our next talk in April is "Bhutan, Kingdom of Rare Plants", and in May "Big Ideas for Small Spaces".

Membership is £35 per annum. Visitors are charged £5 which is deducted off their membership if they join. Come along one evening and meet us!
