Subject: Affordable housing proposal at Woodman Close, Sparsholt - update

Dear Councillors,

I hope you are keeping safe and well.

I wanted to update you on the Woodman Close affordable housing proposal at this time.

Following the decision to continue towards a planning application for the scheme, we now have a detailed design brief and have begun the process of tendering for an Employers Agent and Architect (T2 architects were employed up to and including the community consultation). This may take slightly longer in the current circumstances, but we are estimating a couple of months or so for the design team appointments to then refine the proposals and work towards a planning application.

Rachel Moreau, Tenancy Services Manager, is contacting identified potential downsizers (those that would have priority to move) to inform them that this scheme is moving forward and to provide further information about downsizing.

If you have any questions please let me know.

Kind regards
Helen
